"O Mother of men and peoples, you know all their suffering and their hopes. You maternally feel all their struggles between good and evil and between light and the darkness that shake the world.

Receive our cry, directed in the Holy Spirit straight to your heart and, with the love of the Mother and the Handmaid to the Lord, embrace the individuals and peoples which most look for this embrace, together with the individuals and peoples to whose trust You attend in a particular way.

Take the entire human family under your maternal protection.

With outflows of affection, O Mother, we entrust it to You. May the time of peace and liberty approach for all, the time of truth, justice, and hope. Amen."
